EDITOR'S NOTE:

The final date for compiling this collection was 1st July 2024. All reasonable efforts were made to ensure that the information was correct at the time of going to press. Any player changes, transfers or changes to any individual club's participation in UEFA's 2024/25 season club competitions after this date were of course beyond our control. Please note, at the time of going to press, not all clubs were able to confirm their Club Captain ahead of the 2024/25 season. Autograph, Relic, Exclusive Edition and online Exclusive Edition Gold Rush cards are not listed on this checklist. Full details of these cards and their availability can be found within the Game Guide (available within all Starter Packs).

PLAYER RATINGS:

Whilst every effort was made to proportion reasonable contrasting player ratings, the individual ratings have been devised for the purposes of the Match Attax game. These values are not intended to be a definitive comparison between players and do not reflect the opinions of the UEFA Champions League, UEFA Europa League, UEFA Conference League or these competitions' member clubs.

PLAYER VALUES:

The featured transfer values have been developed exclusively for the Match Attax game and in no way represent the actual transfer values of players.
